- English - Advanced
- Vietnames - native

OBJECTIVE

Hi, I'm Tran Anh, a fresh graduate of Vassa University of Applied Sciences and a self-taught front-end developer from Finland. My passion for software lies in dreaming up ideas and making them come true with elegant interfaces. I care greatly about the experience, architecture, and code quality of the projects I build. It would be a pleasure to have a place in your company.

WORK EXPERIENCE

Front-end trainee   Jun 2022 - Dec 2022

Sala Technology I Vietnam

- Collaborated in team projects using version control with Git and GitHub.
- Completed a six-month coding boot camp focusing on HTML, CSS, JavaScript and React.
- Familiar with debugging tools like Chrome Developer Tools for troubleshooting code issues.

Sushi chef   2022 -now
